The Honorable William E. Colby
Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Bill:

If there is any possibility that my visiting one or more of our embassies overseas will either produce a helpful result or enable me to assist the Board in making recommendations toward that end, I will of course do so. Wheaton Byers had already advanced a similar suggestion and I will be discussing some of the details with him within the next ten days. I will be in touch with you again in this connection soon.

My warmest wishes for the year already underway.

Sincerely,
